Guaranteed Analysis

Protein	15.00%	Sodium	0.45%
Fat	3.00%	Vitamin A	10 000 I.U./kg
Fibre	15.00%	Vitamin D3	2200 I.U./kg
Calcium	1.10%	Vitamin E	220 I.U./kg
Phosphorus	0.65%	Selenium	0.30 ppm

Directions for use

Simplici-T Pro Grain is recommended for exercising horses, breeding stallions, broodmares and growing foals. Feed in conjunction with water and a minimum of 1% body weight (on a dry matter basis) of a long stemmed forage (hay/pasture). Feed according to the following table, whereby the lower quantity meets minimum vitamin and mineral requirements and the higher quantity meets Purina Superior Recommendations. Ideally, feed enough to achieve desired body condition, and for every kilogram under the recommendation, provide 175 grams of Purina Equilizer (35710). Provide free-choice salt. Daily ration should be divided into 2 and preferably 3 separate feedings daily.

Daily amount of Simplici-T Pro Grain

kg / 100 kg of Body Weight

	Minimum	Purina Superior
Maintenance	0.67	1.00
Performance		
Light Exercise	0.73	1.33
Moderate Exercise	0.82	1.50
Intense Exercise	0.91	1.67
Stallions		
Non Breeding	0.67	1.33
Breeding	0.73	1.33
Broodmares		
Gestation	0.73	1.33
Lactation	0.91	1.67
Foals		
4 - 24 months	1.25	1.67

A versatile textured feed for working adult horses and breeding horses. Ideal for boarding stables and recreational stables, from occasional breeding to active pleasure riding.

Simplici-T Pro Grain is formulated with certified quality ingredients and is manufactured exclusively in our specialized and drug-free facility in Strathroy, Ontario.

Characteristics

CHARACTERISTICS	ADVANTAGES
Uses high quality ingredients	<ul style="list-style-type: none"> Highly palatable feed.
Contains Opti-Flakes – extruded corn	<ul style="list-style-type: none"> Highly digestible in small intestine. Helps minimize gut upset (colic) by preventing starch overload in the hindgut. Totally eliminating the negative aspect associated with whole and cracked corn. Optimally “cooked”. Reminiscent of the good old days of “cooking” grains. Palatable. No preservatives.
Contains balanced and added amino acids including Methionine	<ul style="list-style-type: none"> Provides building blocks for improved muscle and joint development and milk production.
Convenient and versatile	<ul style="list-style-type: none"> Suitable for many types of horses. Provides essential nutrients for growth and milk production. Ideal for the pleasure horse.

Multi-Attributes	Wheat shorts
Flavour/Binder	Molasses

* Ingredients are not in order of their inclusion rate.

1. These recommendations are based on feeding a forage equal or greater than 15% protein.
2. Amounts can vary depending on the hay. Purina recommends that you have your hay analyzed and balance your ration accordingly. In general, Optimal (35720) will better balance the ration of broodmares and foals than Equilizer (35710).
3. Do not provide more than 0.5% of Body Weight of this feed at one time.
4. Provide a source of fresh, clean water at all times.
5. Follow sound management practices along with disease and sanitation control measures. If there are any questions, contact your veterinarian, Purina dealer or Purina sales consultant.

Caution

Directions for use must be carefully followed.

Feed is perishable. Store in a dry, well-ventilated area protected from rodents and insects. Do not feed moldy or insect-infested feed to animals as it may cause illness, abortion or death.
