

VELOCI-T Tradition

#35410
Quality

Guaranteed Analysis

Protein	13.00%	Sodium	0.60%
Fat	6.00%	Vitamin A	6500 I.U./kg
Fibre	12.00%	Vitamin D3	1200 I.U./kg
Calcium	0.75%	Vitamin E	220 I.U./kg
Phosphorus	0.55%	Selenium	0.30 ppm

Directions for use

Veloci-T Tradition is recommended for racehorses. Feed in conjunction with water and a minimum of 1% body weight (on a dry matter basis) of a long stemmed forage (hay/pasture). Feed according to the following table, whereby the lower quantity meets minimum vitamin and mineral requirements and the higher quantity meets Purina Superior recommendations. Ideally, feed enough to achieve desired body condition, and for every kilogram under the recommendation, provide 200 grams of Purina Optimal (35720). Provide free-choice salt. Daily ration should be divided into 2 and preferably 3 separate feedings daily.

Daily amount of Veloci-T Tradition

kg / 100 kg of Body Weight

	Minimum	Purina Superior
Performance		
Light Exercise	0.73	1.33
Moderate Exercise	0.82	1.50
Intense Exercise / Racing	0.91	1.67
Stallions		
Non Breeding	0.67	1.33
Breeding	0.73	1.33

Veloci-T Tradition is a sweet feed (textured) for racehorses. Veloci-T Tradition utilizes traditional grains for maximum palatability.

Veloci-T Tradition is formulated with certified quality ingredients and is manufactured exclusively in our specialized and drug-free facility in Strathroy, Ontario.

Characteristics

CHARACTERISTICS	ADVANTAGES
Contains 6% Fat from vegetable sources	<ul style="list-style-type: none"> Highly digestible and energy/calorie dense. Less feed required to maintain body condition. Clean burning fuel, does not produce lactic acid and spares glycogen levels for enhanced athletic performance.
Contains balanced and added amino acids including Methionine	<ul style="list-style-type: none"> Provides building blocks for improved muscle, hoof and joint health.
Contains an elevated sodium chloride content	<ul style="list-style-type: none"> A salt/electrolyte that helps maintain proper hydration.
Contains Yeast Culture	<ul style="list-style-type: none"> Improves hindgut fermentation resulting in increased energy and protein utilization.
Canadian manufactured in a 100% drug free facility	<ul style="list-style-type: none"> No possibility of a detrimental drug contamination or a race positive. Made locally for ultimate freshness.

Fat	Soya Oil
Prebiotic	Yeast
Probiotic	
Vitamins	Vitamin A, Vitamin D3, Vitamin E, Vitamin K, Riboflavin, Niacin, Thiamine, Vitamin B12, Biotin
Minerals	Salt (Sodium Chloride), Calcium Carbonate, Magnesium Oxide, Mono Dicalcium Phosphate, Calcium Iodate, Copper Sulphate, Ferrous Sulphate, Manganese Oxide, Zinc Oxide, Organic Selenium, Cobalt Carbonate
Multi-Attributes	Wheat shorts
Flavour/Binder	Molasses, Pellet Binding Agent

* Ingredients are not in order of their inclusion rate.

1. Amounts can vary depending on the hay. Purina recommends that you have your hay analyzed and balance your ration accordingly. Also, depending on the hay, Equilizer (35710) may be better suited as a supplement than Optimal (35720).
2. Do not provide more than 0.5% of Body Weight of this feed at one time.
3. Provide a source of fresh, clean water at all times.
4. Follow sound management practices along with disease and sanitation control measures. If there are any questions, contact your veterinarian, Purina dealer or Purina sales consultant.

Caution

Directions for use must be carefully followed.

Feed is perishable. Store in a dry, well-ventilated area protected from rodents and insects. Do not feed moldy or insect-infested feed to animals as it may cause illness, abortion or death.
